

## **2014 MUNICIPAL DELEGATIONS**

Two official delegations were held in 2014. The first of the two delegations happened in January. Members of the Gonohe International Exchange Association visited Bayombong to meet with their Filipino counterparts as well as with some local officials including Bayombong Mayor Ramon Cabauatan. Part of the itinerary for the members of the association also included paying their respects to the war-dead at the national memorial in Dalton Pass, Santa Fe, Nueva Vizcaya, and to visit some of the academic institutions in the province including Saint Mary's University and the Nueva Vizcaya General Comprehensive High School.

The second delegation, consisting of the members of the Bayombong Sisterhood Association, went to Gonohe in April 2014. The delegation spent a few days in Tokyo before departing for Gonohe. Once in Gonohe, the delegation attended a reception party hosted by their Japanese counterparts. BSA President Prescilla Marcos met with Gonohe Mayor Miyura Masana to reaffirm each of the towns' commitments of expanding cultural understanding with each other.
